2021 WINTER EXECUTIVE MEETING

VIRTUAL

JANUARY 14-16, 2021

Committee Name: MACRO

Date: 15 January 2021

Reporter/Name: Philip Costanzo

YOUR ACTION ITEMS FOR 2021:

Provide regular updates to MACRO website
Maintain clear communication between POLY
and PMSE in regards to MACRO

2019 Summary

Previous action items:

Launch the MACRO website (<https://macro-poly-pmse.org/>) : **completed**

Run MACRO symposium in SF 2020 : **completed**

Maintain clear communication between POLY and PMSE in regards to MACRO :
in progress

MACRO symposium for SF ACS : 10-15 speakers :1 - curriculum; 2 - professional development; 3 - outreach. Panel

Curriculum :

Lead by Liz Sterner

Prepared multiple modules including instructor version and supplementary document

Introductory

Organic – acyl, alkene, stereo

General – instrumentation

Currently preparing videos. Spent \$483.55 on A/V equipment. Currently possessed by Liz. “Owned” by MACRO.

Videos prepared by Dominik posted on website.

Professional Development :

Lead by Dominik Konkolewicz

division of polymer chemistry, inc.
AMERICAN CHEMICAL SOCIETY

540-231-3029 - <http://www.polyacs.org>

Preparing materials

Outreach :

Lead by Phil Costanzo

Creating templates for activity submission

Develop interactive site to submit and download activities

Financial plans : PolyEd has ~7K? remaining that needs to be spent.

Need to allocate ~\$320 per year for the website.
