<i>subtotal</i>	<i>30,100.00</i>		<i>17,523.14</i>
Bal			2158.51

1. Virtual footprint during 2020 was a good experiment. It included Virtual ACS, Q&A, and IAB and Young Industry Employee virtual networking sessions throughout the year.
2. Numbers within the above budget include pre-payment of some expenses (payment of speakers for Webshop, 2021 symposia, etc).
3. 38% drop-off in funds collection in 2020.

Items for vote:

1. Approval of 2021 budget bottom line.

	<i>Proposed</i>
Income	24,000.00
Expenses	
Networking	7,000.00
Meetings	8,000.00
Awards (YIPS)	6,200.00
Programming	3,000.00
Other (shirts, pins)	1,800.00
<i>subtotal</i>	<i>24,000.00</i>
Bal	-2,000.00

Items for future consideration:

1. 2021 virtual footprint (February webinar and April Webshop). IAB has now partnered with the Workshop Committee to co-organize and sponsor an April Webshop. Though the event was planned for December, more time was needed for organization.

Plastics Recycling (Webinar) – February 2021

Philippe Reutenauer (LEA NATURE)

Katrina Knauer (Biocollection)

Stimulus-Responsive Polymers and Liquid Crystal Elastomers – (Webshop) – April 2021

Chris Bowman (CU Boulder)

Shu Yang (U Penn)

Shengqiang Cai (UCSD)

2. Young Industry Employee Networking – Virtual small group with 5 people from different companies. 7 sessions over 2021 will let them get to know each other and their roles, hear YIPS winners describe their careers, discuss company wise best-practices on diversity and inclusion in STEM, and more.
3. Plans for ACS Meeting Programming – continued Industrial Innovation in Polymer Science symposium IAB programming, and support for graduate and undergraduate symposium.
4. Fall 2021, YIPS Award – including Symposium Fall 2021
