Dear Diane:

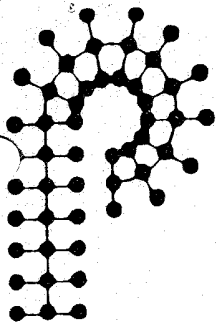

The attached letter has been sent to everyone on your list of Graduate Research Polymer conference attendees as well as a brochure. The letters were individualized by using a "merge" technique which accounts for the numbers on the address. All the people to which the letter was sent are attached.

The letter is simply for your information.

Yours Truly,

Dear 3~:

## PARTICIPANT IN THE GRADUATE RESEARCH POLYMER CONFERENCE

As a member of the Polymer Division of the American Chemical Society, I would like to thank you for participating in the Graduate Research Polymer Conference at Pennsylvania State University.

We would like you to consider this as a first step in a developing career. As part of this effort, perhaps you should consider joining the polymer division and later, as time permits, play a role in helping to run your organization.

The enclosed brochure is an invitation to join.

Yours truly,

H. Jabloner
