Montreal, Quebec H3C 3A7

June 20, 1988

Dear Dr. Sasher:

The Division of Polymer Chemistry is pleased to sponsor the Workshop/Symposium entitled "International Symposium on Metallization of Polymers," September 24 - 28, 1989. "

which you have proposed. The Executive Committee of the Division has approved your appointment as Meeting/Workshop Chairman (or Co-Chairman).

The Division has established guidelines for the operation of all Workshops/Symposia. We wish to call your attention to the specific responsibilities of the Meeting Chairman. It is imperative that the Chairman either follows the guidelines precisely or that he obtains written approval for variations from the Treasurer, Workshop Coordinator and Division Business Office.

This letter constitutes an agreement between you and the Division of Polymer Chemistry for the organization of this Meeting.

The Division is committed to support this Meeting as follows:

- a) An approved Operating Budget
- b) Arrangements for the Meeting, including Preregistration, Accommodations, Audio Visual Equipment and other special requirements as needed and approved.
- c) Publicity
- d) Printing and disseminating Meeting Material (Brochures, Flyers, etc.)
- e) Personnel to handle On-site Registration and Arrangements

By signing this agreement you are committed to the organization of this Workshop/Meeting in accordance with the enclosed guidelines. The Division is prepared to work closely with you and to provide any assistance and guidance you may require.

Please return this signed letter/agreement to my office address as it appears on this stationery.

Sincerely yours,

Raphael M. Ottenbrite / Date
Treasurer

Signature of Meeting Chairman / Date

An International Symposium
on
The Metallization of Polymers

sponsored by

The Division of Polymer Chemistry
American Chemical Society

September 24-28, 1989

L'Hotel Reine Elizabeth
Montréal, Québec, Canada

An interdisciplinary symposium of **Metallization of Polymers** will take place in L'Hotel Reine Elizabeth/The Queen Elizabeth Hotel in Montréal, Québec, on September 24-28, 1989. The symposium will be co-chaired by Edward Sacher, Steven Kowalczyk, and Jean-Jacques Pireaux. Presentations are planned on the following subjects:

Polymer Surface Modification
Polymer Surface Morphology
Interfacial Interactions
Theoretical Approaches

Metallization
Surface Analysis Techniques
Adhesion
Aging

A Poster Session will constitute an important part of this meeting and contributions on any of these topics will be considered. Please send a 250 word abstract to Edward Sacher as soon as possible.

Preliminary Speakers Include:

D. Allara, <i>Penn State University</i>	D. Briggs, <i>ICI-U.K.</i>
A. Benninghoven, <i>Universität Münster</i>	B. DeKoven, <i>Dow</i>
D. Salahub, <i>L'Université de Montréal</i>	M. Grunze, <i>University of Maine</i>
C. LeGressus, <i>CEN Saclay</i>	N.S. McIntyre, <i>University of Western Ontario</i>
B. Ratner, <i>University of Washington</i>	P. Bodö, <i>Linköping Univ.</i>
J.-J. Pireaux, <i>Université Notre Dame de la Paix</i>	S.C. Freilich, <i>DuPont</i>
E. Sacher, <i>Ecole Polytechnique de Montréal</i>	S. Kowalczyk, <i>IBM Yorktown</i>

For further information on the technical plans for the symposium please contact one of the Chairmen:

Dr. E. Sacher Dept. of Engineering Physics Ecole Polytechnique de Montréal P.O. Box 6079, Station "A" Montréal, Québec H3C 3A7 CANADA	Dr S. Kowalczyk Dept. 462 T. J. Watson Research Center P.O. Box 218 Yorktown Heights, NY 10598 USA	Dr. J.-J. Pireaux LISA Facultés Universitaires Notre Dame de la Paix B5000 Namur BELGIUM

August 29th, 1988

Mrs. Jane Vogl
Division of Polymer Chemistry
Polytechnic University
333 Jay Street
Brooklyn NY 11201

Dear Jane:

The attached is a text for the Metalization symposium. I think with a little cutting and pasting you can compose a flyer without bothering with a printer. Let me know if you see any glaring errors. As soon as everything is correct and cleared by Ed Sacher, go ahead and prepare flyers for the ACS meeting in Los Angeles as well as other meetings recommended by Ed.

It took me a while to set this in the proper format, but I enjoyed the challenge and now it will be fairly easy to insert other data for future symposia/workshops. It should save us some headaches in the long run. Let me know what you think.

Sincerely yours,

William H. Daly, Ph.D.
Professor of Chemistry
Louisiana State University

Enclosure(s)

8/31/88

cc: Ed Sacher

I'VE TRIED TO REACH ED SACHER TO GET
PIREANX'S ADDRESS BUT HAVE NOT BEEN SUCCESSFUL.
IF YOU TALK TO HIM, PLEASE ASK HIM FOR
THOSE DETAILS AND I WILL FILL THEM IN. WILL
BE IN BATON ROUGE OVER THE WEEKEND BUT YOU
WILL BE ABLE TO CALL ME AT IBM NEXT WEDNESDAY.
Bill
