ExComm Members (in ORANGE) have voting privileges

Committee Chairs are appointed by Current Chair annually at the start of each year.

# Tenure for Committee Chairs

- Limit terms for committee chairs to 3-5 years
  - Plusses
    - Chance to infuse new ideas
    - Creates leadership opportunities for members
    - Might be more attractive to some if they knew they were not signing up for a "lifetime" appointment
  - Minuses
    - Need to have continuity in leadership, especially for more important committees, e.g., workshops, IAB
    - They just get up to speed and now have to rotate out
- Suggestion
  - Limit committee chairs to 3 years
    - Chair can continue to serve on the committee and/or act as a resource for new chair
  - Have a Vice Chair for more important committees
    - Serves for 3 years and moves up to Chair
